

Where and how can I serve God and be fulfilled?

The Servant Course

An opportunity to explore how God made us in a unique way and how we can best serve him

**Friday 7pm - 10pm (including meal)
and 9am to 3.30pm at St John's Church, The Furrows.**

The Servant Course is adapted from the Willow Creek Network Course. It sets out to explore something about the way God has made you - what things you are interested in, how God has gifted you and how you prefer to work - to help you to identify the type of Christian service that would make you most fulfilled and effective.

Cathy and Jonny have run the Servant Course many times in the past and we have now run it in Walton on Thames with great success several times over the last 18 months.

“This course is a journey of discovery about the way God made us, combining Spiritual gifts as well as our personality and passions. We encourage you to come on the course as others have found it immensely helpful. But don't take our word for it...”

Comments from people on previous courses:

***“Excellent” “Affirming” “It confirmed what I thought” “I have never done anything like this before”
“Life changing” “I loved it!”***

The number of places are limited, so, we invite you to register as soon as possible to ensure you get a place.

To learn more, please speak to ***Cathy Blair, Sally Eckes, Berenice Page, Harriet Barker or Clare Rolton.***

A small fee of £10.00 which includes course materials and an evening meal on Friday is payable on the Friday evening - please advise of any dietary requirements.

Check the website calendar for date or enquire via the office – office@waltonparish.org.uk
