

Taking our next steps towards:

- deeper faith in Christ,
- welcome and belonging
- shining God's light.

Faith at Home

Alongside the launch of our church's new vision we would like to offer you this resource to help develop faith within the home.

You will need to find somewhere metal to put this up. Copies collected from church have magnets attached however if you are downloading this from the website you can buy magnets in Wilko's, you will need 7. Write into the space your task for the week. This should be something to help you deepen your faith in Christ. Each day, if you manage your task, place a magnet onto the day. See how many times in the week you can manage it! Then, at the start of each week, either try again with your task or choose another one. Glue a new piece of paper into the space and write on a new activity.

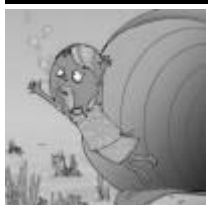

Ideas for you to try:

Read a bible story, pray before dinner/bed, listen to/sing a worship song in the car, learn the kids vision song Every move I make (www.youtube.com/watch?v=Dgf1YzscBlE).

There are online devotions for on www.truthforkids.com – this is an American site with lots of ideas and resources. If you go to the page titled preschoolers it is actually for ages 5-8yrs and you can use different subjects. If you follow the kids' devotions they are dated.

Compassion have some online devotions for children aged 6 - 12 with questions to think about at www.compassion.com/kids-devotions.htm.

Or try the following apps:

Bible Bedtime

Released by the Bible Society as part of its 'Pass It On' Campaign to encourage parents to read Bible stories to their children, these two Bible Bedtime apps tell fun, colourful cartoon Bible stories – complete with downloadable, printable images from the narratives.

IOS / Android / Free

The Bible for Kids

YouVersion's Bible app for children offers animated Bible stories, touch-activated animations and games and activities to help children remember what they are learning. Children can read along with the stories on screen. bible.com/kids

IOS / Android / Kindle Fire / Free

If you would like more support in bringing faith into the home please do talk to Mandy at church, on 246609 or email mandy@waltonparish.org.uk.
