Everyone Welcome

Welcome to St Mary's and St John's Churches

Happy New Year! Our new year's resolution could be to discover where God is in my everyday life. Mark Greene from LICC says "We may be old or young, healthy or infirm, rich or poor, employed or not, radically cutting edge or relatively retro; whoever we are, as Christians, we have at

least one thing in common. We each have a front line." We will explore this in sermons and house groups. To join a group please email office@waltonparish.org.uk. To learn more about The London Institute for Contemporary Christianity visit www.licc.org.uk
