### From the Vicars...

Today we start a new Series called Life on the Frontline from LICC. **God is with us wherever we are during the week.** Our 'frontline' is the place where we spend much of our time, where we meet people who don't know Jesus. We may be old or young, healthy or infirm, employed or not – we still have a 'frontline'. A place God has put us, the place of possibility and potential. You'll find everything you need to know over the page or on the website. If you are not part of a small group, this is a great opportunity to try one out! We have several groups running especially for the duration of the course. We'll start with today's sermon ready for this week's meetings.

## PLANNED GIVING ENVELOPES

Envelopes are now available for collection from the back of church. This year we are changing the suppliers of our envelopes as we needed to find a company who could provide us with a smaller number of envelopes in order to be more cost effective. Due to this change over we've encountered a delay and you will therefore find in this pack a 3-month temporary supply which will see you through to the end of March. We hope to the new envelopes ready by the middle of March. If you no longer wish to give using the envelopes or would like to discuss the alternative methods of giving available, then please do let the office know and this can be arranged. Thank you for your patience and support as we make these changes.
